

Greytown School Fundraising Group

Introducing "Fun Funds" ...

Our role is to assist our school to create the best possible learning opportunities for our children by helping to fund the projects, resources, and people most needed to enable a great school environment.

We are a group who work together to raise money through various events e.g. raffles, sausage sizzles, discos etc

Our monthly meetings are held at 7pm on the first Wednesday of each month and usually last about an hour.

A "Fun Funds" Co-Ordinator is a committee member with leadership and organisational skills who, with like-minded people can help plan a smooth and successful event. We accept the responsibility of taking on small tasks within a bigger project. This way we won't get "burnt out" and will be happy to rely on the team for advice and support.

We are called "Fun Funds" because we like to do fun things!! We can use our creativity, imagination, and enthusiasm to gain a sense of accomplishment while providing enjoyment for others. It's also a terrific way to meet new people. *So... we put the Fun in Fundraising!!* 😊 😊 😊

Can you help?

Volunteers are an integral part of what we do, and your involvement is encouraged and welcome. We understand your time is valuable - that's why we're happy with whatever amount of time you can contribute. Some of the tasks can be done at home and take little time or you can always support events by turning up and taking part.

If you would like to join the "Fun Funds" or you are interested in hearing more about what we do, please come along to the meeting on:
